Ten convictions for violation of labor laws were secured yesterday morning in the Police Court of Alexandria. Inspector Clinch notified Commissioner Jas. B. Doherty of the results as follows:

Three convictions for violation of child labor laws: Old Dominion Glass Works, Virginia Glass Company, Alexandria Glass Company; \$25 fine each. One for violation of ten-hour law: Bliss Silk Throwing Company, fined \$5.

MANN AND ATTORNEYSHIP

Governor Mann's Term Ends After Probable Appointment.

Governor Mann states that he is in no sense a candidate for the office of District Attorney for the Eastern District of Virginia. While he would probably accept it if it were tendered to him at the conclusion of his term of office, since he is a lawyer and will re-enter professional life, it is not believed to be probable that the place will then be open to him.

The Governor's term of office does not expire until February 1, 1914. By the time, it is believed, some other good Democrat will have the job and be satisfactorily filling it.

Charges Dismissed.

Magistrate H. S. Sunday, of Henrico County, yesterday dismissed the charges against Ernest Doherty, colored, who was charged with using abusive language on the public highway. The prisoner was ordered to pay the costs of prosecution.

LUBIN THEATRE SOLD

South Richmond Man Will Take Charge of Vaudeville House.

The Lubin Theatre, which was bought last week by D. L. Toney and associates from P. A. Lynch, of Asheville, N. C., will be continued as a vaudeville and picture amusement place, according to a statement made yesterday by Chester Toney, a son of the purchaser, who will probably be the manager of the newly-acquired property. The new owners will assume control tomorrow.

The purchase price involved in the transaction could not be ascertained, as the affairs of the play-house have become somewhat confused as a result of the recent change in its ownership. One of the parties interested in the deal said that the new owner secured the property for a price much less than would have been possible two years ago, although the amount was a fair consideration.

D. L. Toney, the purchaser, is already operating a picture theatre in South Richmond, and another in Richmond proper at Fifth and Broad Streets.

Judge Pritchard to Speak.

Judge Jesse C. Pritchard, of the United States Circuit Court of Appeals, will make an address tomorrow night at the Ebenezer Baptist church, colored, Judah and Leigh Streets. The speaking will begin at 8 o'clock. There will be special music by a quartet.

WILL IMPROVE STREETS

Town Council of Barton Heights Likely to Undertake Extensive Changes.

The Barton Heights Town Council has decided to grade and improve four blocks of the street improvements, although the course to be pursued depends largely on the outcome of the litigation for annexation.

The recently-constructed plant of the Henrico County Gas Company, which was chartered for the express purpose of furnishing gas to the residents of Barton Heights, has commenced its service, and Mayor Ragland

announces that the system is highly satisfactory. The entire town has been piped, and a plant constructed. Orders for gas connections come to the company, said Mayor Ragland, faster than they can be filled. The new system extends out as far as Brookland Park, but does not touch Ginter Park. The town council is considering the advisability of contracting with the gas company for street lights. It is probable that some action will be taken on this matter in the near future.
